

Jesus is a Friend of Outcasts

Tax Booth

Logic Smart - Toy Room

Materials:

- Scale
- Fish
- Nets
- Coins & Cash box
- Stones

Pick your character:

- Tax collector
- Fishermen (Peter, Andrew, James, and John)

Dramatic Play:**Go Fishing**

1. Find some fish on the play carpet and put them in your net.

Get Paid

2. Bring your fish to the tax collector.
3. The tax collector weighs the fish. Make sure the scale is balanced.
4. Balance the scale using the coins.
5. You are paid however many coins are on the scale.

Pay Tax

6. For every 3 coins, you have to pay 2 in taxes.
7. This means that if you have 3 coins, you have to give 2 back to the Tax Collector.
8. The Tax Collector gives 1 coin to the basket labeled ROMAN EMPIRE and keeps the other 1 for themselves.

Does this seem fair?
