

What is happening to our kids?: *The current crisis of wellbeing*

Dr. Gordon Neufeld

Developmental Psychologist

Neufeld Institute |
Developmental Science in Practice

Signed versions of the newest version of Dr. Neufeld's book, *Hold on to your kids: Why parents need to matter more than their peers*, will be available for \$20.

Join us to explore the pressing issues of our kids' mental health and wellbeing in today's world.

About the presentation

How is it that, in this time of relative prosperity, with children being more educated than ever, with knowledge now at our fingertips, children are becoming increasingly more troubled? What are we missing here? When we understand how troubles evolve, we can begin to address the roots and be hopeful for change.

About the speaker

A foremost authority on child development, Dr. Gordon Neufeld is an international speaker, a best-selling author and a leading interpreter of the developmental paradigm. His life work has been to help adults provide the conditions for children to flourish.
